Commission

January 26, 1984

The Honourable Patricia A. Smith,
Minister of Education,
Regina, Saskatchewan.

Madam:

The Teachers' Superannuation Commission has the honour to present its report outlining the activity under the provisions of The Teachers' Superannuation Act, T-9, R.S.S. 1978, for the year ended June 30, 1983.

Some of the highlights of the report include:

(1) Payment of allowances and annuities in the amount of $43,436,000.00 to 4,460 superannuates, surviving spouses, dependants and nominees. This represents an increase of 18.5% in the payment of allowances and annuities and 5.3% in the number of recipients above the previous period which ended June 30, 1982.
(2) Transfer of $1,598,000.00 to importing jurisdictions with which the Commission has reciprocal agreements (an increase of 27.9% over 1982), with $899,000.00 having been received from exporting jurisdictions (a decrease of 3.3% from 1982).
(3) Receipt of $26,654,000.00 as teacher contributions to all funds, including $2,647,000.00 estimated as accounts receivable, an increase of 13.9% above 1982.
(4) Receipt of $59,061,000.00 from the Consolidated Fund, an increase of 28.7% above 1982.
(5) Administration costs amounted to $521,390.00, an increase of 9.9% above 1982.
(6) Interest earnings on investments in the Teachers' Superannuation Fund were at the approximate rate of 13.42%. The rate of interest allocated on monies in Annuity Fund was 16.0% and 13.0% on monies in the Supplementary Allowances Fund.

Regulations under the Act were consolidated in August 1981 — Order in Council 1343/81.

The Commission wishes to express appreciation for the co-operation received from its staff and for Mr. Walter Sawchuk's years of dedicated service as Executive Secretary to the Commission. Mrs. Lois Herback was appointed to this position November 1, 1983 upon Mr. Sawchuk's retirement.

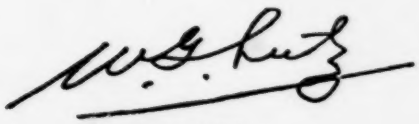
Saskatchewan Teachers' Superannuation Commission

Auditor's Report

To the Members of the Legislative Assembly
Province of Saskatchewan

I have examined the balance sheet of Teachers' Superannuation Fund as at June 30, 1983 and the statements of revenue and expenditure and minimum fund balance for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the fund as at June 30, 1983 and the results of its operations for the year then ended in accordance with generally accepted accounting principles applied, after giving retroactive effect to the change in the method of recording investment transactions as explained in Note 5 to the financial statements, on a basis consistent with that of the preceding year.



Regina, Saskatchewan,
February 3, 1984.

W. G. Lutz, F.C.A.,
Provincial Auditor.

The Teachers' Superannuation Fund

Notes to Financial Statements

June 30, 1983

1. **Significant Accounting Policies**

   (a) **Investments**

   Teachers' Superannuation Fund records investments at cost. Any premium or discount on purchase is amortized into revenue on a straight-line basis over the term of the investment. Gains or losses relating to investments sold prior to maturity are recognized in the year of sale. This differs from the method used in 1981-82, see Note 5 — Change in Accounting Policy. The investment portfolio of the fund is managed by the Investment and Financial Services Branch of the Department of Finance.

   (b) **Administration Costs**

   In accordance with Section 73, The Teachers' Superannuation Act, the expenses of the administration of this Act, including the honoraria to commissioners and necessary salaries are being paid out of moneys appropriated by the Legislature for the purpose. Accordingly, no provision for these costs is included in these financial statements.

   (c) **Contributions from the Minister of Finance**

   In accordance with Section 18 of The Teachers' Superannuation Act, the Minister of Finance shall from time to time cause to be paid into the fund sufficient money to make it possible at all times to pay the allowances granted under this Act or a former Act, an amount equal to the amount contributed by teachers and any amount necessary to maintain the fund at the level provided in Section 14. Moneys so payable shall be a charge upon and payable out of the consolidated fund. These contributions were as follows:

	1983	1982
	(000's)	
Allowances	$ 33,416	$ 22,988
Matching contributions	23,042	21,159
	$ 56,458	$ 44,147

2. **Investments**

	1983	1982
	(000's)	
Bonds and debentures	$ 179,805	$ 148,960
Equity investments	36,813	25,097
	216,618	174,057
Mortgages	40,946	38,653
Real estate	5,968	6,019
Short-term investments	59,829	33,182
	$ 323,361	$ 251,911

Bonds, debentures, and equity investments had a quoted market value of $230,794,512 on June 30, 1983 (1982 — $145,835,405). Short-term investments are valued at cost which approximates quoted market.

3. **Teachers' Contributions**

After July 1, 1980, only teachers with service prior to July 1, 1980 are permitted to contribute to Teachers' Superannuation Fund. These teachers may, however, elect to transfer to the Teacher Annuity Fund prior to July 1, 1986.

4. **Unfunded Liability**

Based on the latest actuarial valuation of Teachers' Superannuation Fund, it is estimated that at June 30, 1979 the fund had an unfunded liability for past service benefits of $911,963,000. The Province of Saskatchewan is obligated to furnish monies in any amount which is necessary to meet any deficiency arising by reason of there being insufficient monies in the fund to meet retirement benefits and withdrawals.

5. **Change in Accounting Policy**

Effective July 1, 1982 the fund changed its method of recording investments from the par value method to the cost method. Under the par value method, investments were recorded at par and any premiums or discounts were included in investments revenue in the year of purchase. The cost method records investments at cost. Any premium or discount on purchase is amortized into revenue on a straight-line basis over the term of the investment.

This change has been applied retroactively in these financial statements. The effect is to decrease 1983 investment revenue by $7,312,211, to decrease 1982 investment revenue by $8,101,807 and to decrease prior periods investment revenue by $5,690,783. As a result of these changes, excess of revenue over expenditure at June 30, 1982 has decreased by $13,792,590 of which $5,690,783 is applicable to prior periods. Investments have been decreased by corresponding amounts.

Saskatchewan Teachers' Superannuation Commission

Auditor's Report

To the Members of the Legislative Assembly
Province of Saskatchewan

I have examined the balance sheet of Teachers' Annuity Fund as at June 30, 1983 and the statements of operations, annuity underwriting income and retained earnings, and changes in minimum fund balance for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the fund as at June 30, 1983 and the results of its operations, for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The Teachers' Annuity Fund

Notes to Financial Statements

June 30, 1983

1. **Significant Accounting Policies**

   (a) **Financial Accounting for the Fund**

   The Teachers' Superannuation Act established a cost based pension plan on July 1, 1980. This plan is administered by the Teachers' Superannuation Commission.

   Contributions and investment earnings are accumulated in the Teachers' Annuity Fund for the purpose of providing annuities to the contributing teachers.

   The Commission underwrites the annuity contracts, however, the monies available to the annuitant are not transferred to a separate fund but are retained within the pool of investments held by this fund. Accordingly, a separate balance sheet has not been prepared for annuity underwriting. However, to disclose the operating results of annuity underwriting, a Statement of Annuity Underwriting Income and Retained Earnings forms part of these financial statements.

   (b) **Investments**

   Investments are recorded at cost. Any purchase premium or discount on purchase is amortized into revenue on a straight line basis over the term of the investment. Gains or losses relating to investments sold prior to maturity are recognized in the year of sale. The investment portfolio of the fund is managed by the Investment and Financial Services Branch of the Department of Finance.

   (c) **Administrative Costs**

   In accordance with Section 73 of The Teachers' Superannuation Act, the expenses of the administration of this Act, including the honoraria to commissioners and necessary salaries are being paid from monies appropriated by the Legislature for the purpose. Accordingly, no provision for these costs is included in these financial statements.

2. **Investments**

	1983	1982
Bonds and debentures	$ 6,814,881	$ 1,611,597
Mortgages	248,654	250,000
Short term investments	2,981,777	2,928,587
	$ 10,045,312	$ 4,790,184

Bonds and debentures had a quoted market value of $7,234,918 on June 30, 1983 (1982 – $1,836,875). Short-term investments are valued at cost which approximates quoted market.

3. **Provision for Future Annuities**

This liability represents the estimated amount required to meet future payments to annuitants and is determined by a yearly actuarial evaluation. The change in the liability each year is recorded as revenue or expense.

4. **Investment Income Allocation**

The investment income earned by the fund is allocated based upon the proportion of assets attributed to the contributors and to the annuity underwriting. The assets attributed to annuity underwriting as at June 30 are $28,250 (1982 – $28,006).

5. **Minister of Finance Contributions**

In accordance with Section 18 of The Teachers' Superannuation Act, the Minister of Finance is required to make the following contributions to the fund:

	1983	1982
i) Contributions equal to teachers' contributions	$2,340,890	$1,497,000
ii) Amount with respect to teachers electing to transfer from Teachers' Superannuation Fund		
— for contributions transferred	41,902	82,390
— for interest on contributions transferred	42,941	78,179
	$2,425,733	$1,657,569

6. **Minimum Balance of Fund**

Section 14(2) of The Teachers' Superannuation Act states that the fund shall at all times equal the sum of:

(a) contributions made to the fund by or on behalf of teachers who have not retired

(b) contributions made to the fund by the Minister of Finance

(c) any contributions that may be transferred to the fund on behalf of the teacher from the Teachers' Superannuation Fund

together with interest thereon.

Auditor's Report

The Teachers' Supplementary Allowances Fund

Notes to Financial Statements

June 30, 1983

1. **Significant Accounting Policies**

   (a) **Description of Fund**

   The Teachers' Superannuation Act established the Teachers' Supplementary Allowances Fund effective July 1, 1980. It is a fund in which specified contributions and interest earnings thereon are accumulated for the purpose of making specific additional payments to annuitants of the Teachers' Annuity Fund.

   (b) **Investments**

   Investments are recorded at cost. The investment portfolio of the fund is managed by the Investment and Financial Services Branch of the Department of Finance.

   (c) **Administrative Costs**

   In accordance with Section 73 of The Teachers' Superannuation Act, the expenses of the administration of the Act, including the honoraria to commissioners and necessary salaries are being paid from monies appropriated by the Legislature for the purpose. Accordingly, no provision for these costs is included in these financial statements.

2. **Contingent Liability**

   Contributions and interest forfeited to this fund together with earned interest thereon are repayable to Teachers' Annuity Fund if a teacher who accepted a refund of contributions under subsection 55 (10) of The Teachers' Superannuation Act makes restoration to the Teachers' Annuity Fund.

   It is not possible to determine the number of teachers who will pay the amount refunded and interest thereon and accordingly a liability has not been recorded in these financial statements.
